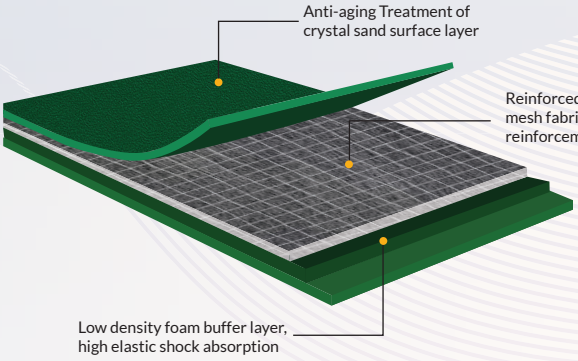
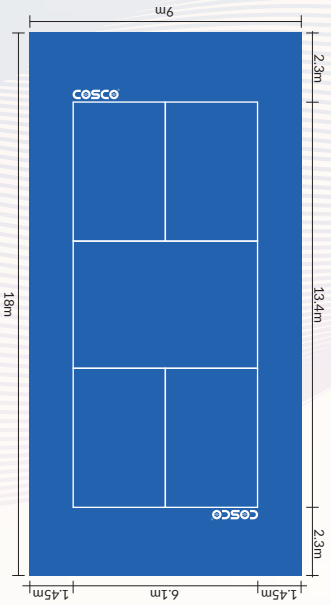
COURT-OUTDOOR

Code : 40003

PFO-specially designed for OUTDOOR pickleball court, is a revolutionary product that incorporates new materials, new formulas, and new technologies to enhance performance and longevity. This innovative sports flooring solution is specifically engineered to prevent aging and oil leakage, ensuring that the surface remains in top condition for years to come. By improving sportiness and outdoor service life, the PFO pickleball court provides athletes with a high-quality playing surface that enables them to perform at their best. With its advanced design and durability, this sports floor is a game-changer for pickleball enthusiasts and players looking for a top-notch outdoor playing experience.

Blue Colour, 3mm PVC with Composite Layer, 5 Roll Per Court, Court Dim : 18x9m.
UV Coated Durable Material, Anti-Slip.





COURT-INDOOR

Code : 40004

INDOOR pickleball courts: PVC sports floor rolls with composite technology are the perfect choice for indoor pickleball courts, offering a range of benefits that cater to the specific needs of the sport. The built-in factory molding of the PVC sports floor ensures a seamless and durable surface that can withstand the constant movement, ball bouncing, and player footwork typical of pickleball. The non-slip and stain-resistant properties of the PVC sports floor further enhance player safety by reducing the risk of slips and falls while also making maintenance a breeze. Moreover, the PVC sports floor's beautiful design options allow indoor pickleball courts to be customized to match any aesthetic preference, creating a visually appealing and inviting space for players and spectators alike.

Blue Colour, 3mm Pvc with Glass Fiber, 5 Roll Per Court, Court Dim : 18x9m.
Excellent Weather Resistance, Anti-Slip.
